

**HAGLEY CATHOLIC
HIGH SCHOOL**
SEMPER FIDELIS

4th October 2022

Dear Parent/Carer

We strongly recommend that all students studying 'A' level Biology, Chemistry or Physics purchase the CGP Revision guide/textbook to support their learning and provide them with an extra resource at home to complete homework and revision.

Various options are available to purchase including bundles which offer significant savings. As a minimum the revision guides listed are recommended, the textbooks are additions.

In the 'A' level courses there are large elements of mathematical skills assessed in the examinations (10% in biology, 20% in chemistry and 40% in physics). Therefore, we also recommend that students who do not study 'A' level Maths purchase the CGP Essential Maths Skills Guide for the appropriate science being studied.

For Biology

The revision guide we recommended is:

- New 'A' level Biology: AQA Year 1 & 2 complete revision & practice. ISBN: 9781789080261.
- AQA Biology 'A' level Textbook by Glenn Toole and Susan Toole (2nd Edition) ISBN: 9780198351771. This is an optional extra.

For Chemistry

The revision guide we recommend is:

- New 'A' level chemistry: AQA Year 1 & 2 Complete Revision & Practice with online edition ISBN: 9781789080292

'A' level Chemistry for AQA: Year 1 & 2 Student book with online edition ISBN: 9781789080476

- Or AQA Chemistry: A Level (AQA A Level Sciences 2014) ISBN 978-0198351825

These are useful optional extras.

For Physics

- 'A' level Physics for AQA: Year 1 & 2 Student book with online edition ISBN: 9781789080483
- AQA Physics: A Level (AQA A Level Sciences 2014) ISBN-13978-0198351870 This is an optional extra.

Please note there can be a delay of between payment and the student receiving the items due to ordering processes.

Yours sincerely

Mrs D Fairclough

Head of Science
