### **What defines special consideration?**

Special consideration can only be awarded where a candidate has been fully prepared for assessments and covered the entire course but their ability to demonstrate their subject knowledge and understanding is materially affected by adverse circumstances beyond their control at the time of the assessment(s).

Centres **must not** submit applications for special consideration for trivial cases.

Special consideration can only go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their assessments. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the qualification. (JCQ's A guide to the special consideration process section 1)

This document is further referred to in this policy as SC.

### **Purpose of the Policy**

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Hagley Catholic High School agrees to "submit any applications for special consideration where candidates meet the published criteria." (JCQ General regulations for approved centres section 5.10)

### **Eligibility for special consideration**

#### **Roles and responsibilities**

Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication SC
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer.

#### **Exams officer**

- Understands the criteria as detailed in SC to determine where candidates will/will not be eligible for special consideration;
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies.

#### **Teaching staff and/or SENCo (or equivalent role)**

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration.

#### **Candidates (or parents/carers)**

- Provide any medical or other evidence that may be required to determine eligibility for special consideration.

### Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates "...have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control."

For candidates who are present for the assessment but disadvantaged Hagley Catholic High School must be satisfied that there has been a material effect on candidate examination performance or in the production of coursework or non-examination assessment (SC, section 3)

1. Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
  - the candidate will be kept comfortable and under supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions;
  - a judgement will be made on how the candidate's situation or disposition affected performance in the exam;
  - where appropriate and where eligible, special consideration will be applied for.
2. Where candidates may be affected by a major disturbance in the exam room (emergency evacuation etc.), an online application for special consideration will be submitted to the relevant awarding body where candidates have been disadvantaged.
3. Special consideration will be applied for an allowance on the last paper taken in a day when a candidate has been entered for three or more exams **timetabled for the same day** and the total duration of those papers is more than 5 hours 30 minutes (GCSE, Level 1 and Level 2 examinations) or more than 6 hours (GCE and Level 3 examinations). (Where extra time has been used following formal approval, this will be included in the calculation. Supervised rest breaks **will not** be included in the total duration of the papers when applying for special consideration.)
4. Where a candidate may be affected by a minor disturbance in the exam room caused by another candidate such as momentary bad behaviour, a mobile phone ringing, or a momentary fire alarm, the candidate would not be eligible for special consideration..

The centre **must not** submit applications for special consideration for trivial cases.

Examples of trivial cases which **would not** warrant special consideration include, but are not limited to:

- A bird tweeting outside the examination room
- A lorry reversing
- A toilet being flushed
- Doors in a corridor adjacent to the examination room opening and closing

Very short, momentary noise from, for example, aeroplanes, helicopters, lawn mowers ([SC 1](#))

If a candidate is absent from a timetable component/unit for acceptable reasons, and the centre is prepared to support an application for special consideration, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. For unitised examinations taken in an examination series

prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC, section 4)

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in SC 5 and applied for where eligible. This might include, for example:

- other certification;
- coursework/non-examination assessment extensions;
- lost or damaged work (non-examination assessment components);
- submitting a reduced quantity of coursework/non-examination assessment (shortfall in work);
- candidates taking an incorrect or defective question paper;
- candidates undertaking the wrong non-examination assessment assignment.

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow SC 7 and awarding body guidance to determine if, when and how an adjustment can be applied for.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
