Introduction

It is the responsibility of the head of centre to ensure that Hagley Catholic High School has a written conflicts of interest policy in place available for inspection that must be reviewed and updated annually. This policy confirms that Hagley Catholic High School:

Manages conflicts of interest by informing the awarding bodies, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units **and**

maintains internal records of **all instances** where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which do not include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Hagley Catholic High School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declarations of interest from all centre staff to identify and manage any potential conflicts of interest.

Declaration process

A Microsoft office questionnaire form is created and sent to all members of staff during September/October. Replies are centrally recorded, by the exams office and missing responses chased up. All invigilators complete a hard copy of the Hagley Catholic High School declaration of Interest form.

Managing conflicts of interest

A conflict of interest log is maintained and any potential conflict declared by centre staff is recorded on the log.

The relevant awarding bodies are informed (where required by the nature of the conflict) of specific conflicts of interest before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.

The measures taken to mitigate any potential risk to the integrity of the qualifications are recorded on the log and the affected member of staff is informed of these measures.

Additional information:

All exam staff and invigilators at Hagley Catholic High School are asked to complete a hard copy of the declaration of interest form at the beginning of each academic year.
