**Purpose of the policy**

This policy details how Hagley Catholic High School deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

## **Introduction**

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

As each incident may be different, advice may be sought from the relevant awarding body as soon as it is safe to do so. (ICE 25.6)

Where candidates are unable to return to the building to complete the examination, the relevant awarding body will be contacted immediately for advice.

## Emergency evacuation procedure

Emergency evacuation procedure
<b>Actions to be taken</b> (as detailed in current JCQ <a href="#">Instructions for conducting examinations Emergencies</a> )
Stop the candidates from writing
Collect the attendance register/seating plan (in order to ensure all candidates are present)
Evacuate the examination room in line with the instructions given by the appropriate authority (green laminated card attached to wording for the invigilators announcement)
Advise candidates to leave all question papers and scripts in the examination room Candidates must be advised to close their answer booklet
Candidates should leave the room in silence and be escorted to the tennis courts (different assembly point to remainder of school)
Make sure that the candidates are supervised as closely as possible while they are out of the examination room so that there is no discussion about the examination
Make a note of the time of the interruption and how long it lasted
Allow the candidates the full working time set for the examination
If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination Candidates must be given the opportunity to sit the examination for its published duration
Make a full report of the incident and of the action taken (to be retained on file if required by an awarding body)
