

A Level Exam Success 2025

Hagley Catholic High School is celebrating some of our best A Level results ever and all members of Emmaus Catholic MAC are rightfully proud of the achievements of the Hagley Sixth Form Class of 2025.

Mr Hodgson, Principal, commented; "Students at Hagley have more than exceeded expectation this year and everyone involved is delighted to be celebrating with them on their excellent outcomes. Endeavour, commitment, dedication and a desire to achieve their best has once again bought its rewards. The average grade across all Level 3 courses is now at B- with average points per entry breaking through the 36-point barrier for the first time. That is a further increase of 1.5 points on last year and 3 points over the last 2 years, whilst average points per student have risen 9 points to 114 from 105 last year, and 95 the year before that.

We have also seen another huge improvement in our best 3 A Levels per entry by 7.5 points (15 points in the last 2 years) and 57% of all grades are between an A* and B grade, another 5% improvement for the school on last year.

This continuous improvement year on year in Sixth Form attainment is testament to the offer available to those who choose to study with us and to some of the best teaching around in the local area. Studying at Hagley for Key Stage 5 brings such certainty of outcome and makes us one of the best providers in the local area.

This is truly something to celebrate and testament to the provision on offer at Hagley and the hard work and dedication of all involved in running our Sixth Form."

Head of Sixth Form, Mr Behan added, "I am unbelievably proud of the achievements of every single one of our students. It has been a privilege to support and guide them over the last two years and I am confident they will continue to fulfil their undoubted potential as they move on to University, Higher Level Apprenticeships and the world of work. I know I speak for everyone at Hagley when I wish them well for the future."

Mrs Horan, Chief Executive Officer, added, "These wonderful results reflect the hard work of our students, the unwavering support of their families and the dedication and skill of their teachers. I wish all our students the very best of luck as they embark on the next exciting chapter of their lives."
